

**The Combustion Institute's 40th International Symposium –
*Emphasizing Energy Transition***

Distinguished Paper Award

**Heterogeneous Combustion
Colloquium**

Bestowed in the Year 2025
to the Authors

Herman Heng, Jan Palečka, Samuel Goroshin, Jeffrey Bergthorson

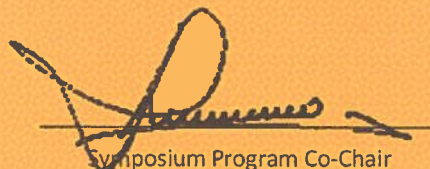

Department of Mechanical Engineering, McGill University

For the Authoritative Paper

***Near-limit discrete flames of iron particle
suspensions in
sounding rocket microgravity experiments***

Symposium Program Co-Chair

Symposium Program Co-Chair

President of The Combustion Institute
